## **RULES AND GENERAL INFORMATION**

**Eligibility:** *This test is open to all dogs of sufficient height and weight that are physically capable of performing all of the exercises in a particular class, and that are eighteen months of age or older on the day of the test.* Brace Draft Dog entries must have previously earned D.D. titles in order to enter the B.D.D. class. Re-qualifications will be accepted only after all untitled entries are included. Re-qualifications shall be judged as the last team in the section for which they are entered. Judges may excuse a dog at any time during a test for lack of physical capacity.

***IMPORTANT NOTICE:*** All forms required for CKC participation are available on the website, <http://www.ckc.ca> under Forms. The Non-Member Participation form, ERN, PEN, CCN, and TCN applications are under the Shows & Trials heading, Exhibitors or contact the CKC Order Desk at 1-800-250-8040.

**Event Registration Number:** Every foreign born and owned dog that is entered in a Canadian Kennel Club event must obtain an [Event Registration Number](#) (ERN) within 30 days of that event. An Event Registration Number Application must be completed and submitted along with a copy of registration documents from a CKC recognized foreign kennel club and the required fee.

**Performance Event Number:** A Performance Event Number (PEN) allows an unregistrable dog of a CKC recognized or listed breed to participate in competitive events that are appropriate for the breed. In order for a dog to be eligible to receive a PEN, all of the following criteria must be met:

- 1) The dog must be of a CKC recognized or listed breed.
- 2) The dog, for one reason or another, must not be eligible for CKC registration.
- 3) The dog must be spayed or neutered.
- 4) The dog must be properly identified with a CKC approved microchip (this requirement is not necessary for ILP dogs).
- 5) In the case of a foreign-born dog residing in the USA, in addition to the above, the dog must have been issued an AKC PAL number.

**Canine Companion Number:** (for Mixed or Unrecognized Breed Entries) Amendments have been made to the Draft Dog Test Rules so that mixed or unrecognized breed dogs are permitted to participate. A Canine Companion Number allows these dogs to participate and earn Draft titles. The Canine Companion Number (CCN) must be applied for PRIOR to entry and included on the entry form.

**CKC Non-Member Participation Fee:** An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled. These fees apply only to dogs wholly owned by Canadian resident non-CKC members and are not applicable to CKC members.

## **GROUP EXERCISES**

Draft Dog Field Work, Draft Dog Excellent Freight Haul and/or Draft Dog Excellent Backpacking Exercises may be performed using the Group Option as stated in Section 11.2 of the CKC Draft Dog Rules and Regulations, using the recommended methodology as stated in Appendix A.

*All unregistered recognized breeds must obtain a TCN before entering an event. While there is no fee to obtain a TCN, exhibitors will still be required to pay TCN Fees (formerly called listing fees) when entering events using this number. The process of obtaining a TCN is self-serve; exhibitors are directed to the CKC website to complete an online application and a TCN will be issued instantly upon completion. If the limit is reached prior to the closing date, a list of alternates will be kept to fill any vacancies created up to and including the day of the test. Entry fees will be refunded following the test to all withdrawals replaced by an alternate and to all alternates who did not participate in the test. Re-qualifications are accepted

pending “space available”. Re-qualifications shall be judged as the last team in the level for which they are entered.
