Entries: Closing and Draw- MDT, 8pm MDT Monday September 21. Running order draw will be held immediately thereafter.

Entries Fees: \$350 per dog, listing -TCN fees for dogs not registered with the C.K.C. is **\$10.50** per day unless an ERN has been applied for. *No dog will be allowed to compete unless fees have been paid.*

TCN Fee: A listing fee as established by the Canadian Kennel Club must accompany the entry of a dog for which a Canadian Kennel Club individual registration number or Event Registration Number (ERN) is not shown on the entry form. All owners of unregistered, CKC-recognized breeds entering events are required to obtain a Temporary Competition Number (TCN).

Event Registration Number: All dogs that are foreign born and foreign owned require an event registration number (ERN) to enable them to be awarded titles by the CKC. Dogs may be entered as "listed"; however, an ERN must be obtained within 30

days of obtaining points, awards or scores to avoid cancellation. Application forms may be obtained from the Field Trial Secretary.

Note: It is less expensive to become a CKC member than to pay this fee each year.

Non-Member Participation Fee: An annual fee for awards and titles will be charged to a Canadian nonmember of CKC. The fee will match the ERN fee. In order to protect the awards/titles earned, the non-members will have the option to become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in all awards and titles being cancelled. NOTE: it is less expensive to become a CKC member than to pay this fee each year.

6.5.1 Any dog withdrawn because of injury or illness, or for a dog that dies, or a bitch that becomes into season shall be refunded in full by the event giving club. Prior to paying such refund, the clubs may require an appropriate veterinary certificate.
