Sprinter Test participation is open to all purebred and mixed-breed dogs at least 12 months of age that are individually registered with the CKC; or have an Event Registration Number (ERN), Performance Event Number (PEN), Miscellaneous Certification Number (MCN), Canine Companion Number (CCN) or Temporary Competition Number (TCN). "Veteran Dogs" means dogs that are seven (7) years or older on date of event, and must be identified as such on the entry if you wish to accumulate points toward veteran titles. Females in season must wear clean, dry, snugly fitting panties and will be scheduled at the end of each event or as the club deems appropriate.

****** It shall be the duty and obligation of the trial-giving club to see that a judge, club official, volunteer, or any participant at an event held under these rules, is not subject to indignities of any kind. The Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit, on receipt of a report indicating that this has occurred.

If, because of riot, civil disturbance or other acts beyond the control of management, it is impossible to start or to complete this event, no refund of entry will be made.

CKC has a Non-Member Participation Fee of \$170.00 + HST. This fee only applies to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.

In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level. The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members. These events are open to mixed and unrecognized breeds. In order to compete, mixed and unrecognized breed dogs must have a Canine Companion Number (CCN) from the Canadian Kennel Club and must have a CKC-approved microchip. Mixed-breed dogs must be spayed or neutered. Unrecognized-breed dogs do not need to be spayed or neutered. A dog eligible for a CCN may not be entered as a listed dog. If a dog is not registered individually in the CKC studbook it may be entered as a listed dog per CKC rules for this designation, as of July 1, 2018; exhibitors must apply to the CKC for "Temporary competition number (TCN), before event closing date".

As of January 1, 2020, as per CKC regulations if a dog is injured after entry has been submitted to the Trial Secretary, a veterinarian's certificate, certifying the dog was injured before a 3-day period preceding the trial, must reach the Trial Secretary on or before the start of the trial. The club will refund the entry minus the TCN fee and a 30% administration fee.

Effective January 1, 1992, all dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events will no longer require a CKC registration number but will require an Event Registration Number (ERN). This ERN does not register a dog for breeding purposes as defined in the Animal Pedigree Act, but rather enables a foreign-owned dog to be awarded titles by the Canadian Kennel Club. Each dog must have its own number. To obtain an ERN, mail or fax a photocopy of the dog's foreign registration certificate with a cheque or VISA/MasterCard number (expiry date, cardholder's name and signature). Provide your complete address for return of the ERN to you. Cost is \$64.00 plus taxes. Event rulebooks and application forms for the CCN, ERN and Non-Member Participation Fee are available on the CKC website. For more information, contact: information@ckc.ca

NEW HANDLERS/DOGS:

New handlers/dogs MUST identify themselves when they register and are required to come to the event at the earlier time listed on the schedule for their heat so that they may get a full briefing and start running prior to other teams arriving.

HEATS:

You will do all three runs in the same heat. Please be aware that there is a two-dog limit per handler per heat to allow for the smooth running of the trial. If you have more than two dogs to enter, you will be placed in more than one heat, or you may bring additional handlers with you. We will also combine heats according to entry numbers if necessary.

CHECK-IN AND TRIAL PROCEDURE:

All competitors **must bring TWO leashes**, one for the releaser and one for the catcher. There will be no extra leashes or handlers available. We cannot wait for any dog whose releaser or catcher is not present for their turn.

When you arrive, park and proceed to our CHECK-IN TEAM where your dog will get his/her first lameness check. Be sure to have the lameness check done and checked off before EACH run.

All bitches must be swabbed, and if she is in season, they must wear well-fitted pants the whole time they are outside of their car at the event. This is a CKC rule.

You must let the check-in team know if your dog is hard to catch (or if you're unsure) so the volunteers can get the catch pen ready for your turn. Please do not try to go in the pen with your dog. Wait for the volunteers to safely corral your dog, and they will let you know when it is safe.

The running order will be created at the check-in table. You will be assigned a number, and that will be your order number for all three runs. It is assigned on a first-come, first-served basis. This number will be written on your recording sheet.

The running order will be posted near the start gate and we will call out dogs/numbers to start lining up.

You will hand in your recording sheet each time you line up to run, and you will get it back with your results after your dog runs.

Don't forget to pick up your qualifying score ribbons at the check-in table. New title rosettes available.

We have a catch pen area that is optional for your dog. There is a video for you to preview on our Trials and Workshops page. We will still use our regular method as well if preferred.

WASHROOMS:

Washrooms are accessible from the EAST side of the Red Barn. We cannot provide any access to drinking water at this trial.

SAFETY:

When a dog runs on the sprinter track, he/she must wear a flat collar with no tags. No harnesses, slip leads, or martingale collars can be left on a dog when they run.

You cannot release or catch a dog with shoes showing any exposed skin. Shoes must cover the entire foot, or you will NOT be able to run your dog. There will be NO refunds for this.

The releaser must be capable of safely holding and releasing the dog. If someone has a disability, they can be the releaser, but that must be disclosed so we can put a volunteer with that releaser to ensure the safety of the person and the dog. We can only accommodate a couple of people for this at each trial, and it must be disclosed in the entry form. If the wrangler, start line gate person or starter determines that the releaser or dog or other dogs are in danger due to the person's ability to release or dog's state of arousal during the trial the STARTER may either request a trained trial volunteer to release the dog or dismiss the dog from the trial without refund.

RULES:

- *PLEASE drive slowly down the long driveway (10 km/h limit).
- *Do not walk your dogs down the driveway toward the private residence
- *No smoking anywhere on the trial site.
- *Dogs must always be on leash.
- *No prong collars, choke chains, or e-collars on the property.
- *Keep your dog under control and out of other dogs' faces. Nose-to-nose contact is not permitted.
- *Please do your best to keep barking to a minimum.
- *Garbage policy: If you bring it, you must take it home with you.
- *Be kind to our volunteers. If you want to be treated with respect, give others the same respect.

If you have a dog that barks the whole time you are in line or a very reactive dog, please let our wrangler know that your dog is waiting out of sight so we don't keep calling you. Very loud dogs stress everyone out, including themselves, so we want to ensure that EVERYONE has a pleasant environment and that everyone still gets to run safely. You can NOT leave a dog barking in your car the whole time. Do not let your dogs react to other dogs or the lure equipment when it is not his or her turn. This prevents others from fully enjoying the trial experience, and our neighbours do not appreciate it.

You are responsible for bringing a pen and the record sheet that is emailed to you. There will be no extra copies on site. You are responsible for converting your time and points (information is on your record sheet) or downloading the rules from the CKC website at <https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Sprinter-Rules-and-Regulations-Effective-January-1>

Exhibitors must abide by errors made in entering their dogs, regardless of how or by whom the entries were made. Alterations, substitutions, or cancellations of any entry after the closing date are prohibited, except as noted in this premium list. As per CKC regulations if a dog is injured after entry has been submitted to the Trial Secretary, a veterinarian's certificate, certifying the dog was injured before a 3-day period preceding the trial, must reach the Trial Secretary on or before the start of the trial. The club will refund the entry minus the TCN fee and a 30% administration fee. If, because of riot, civil disturbance or other acts beyond the control of management, it is impossible to start or to complete this event, no refund of entry will be made.

VOLUNTEERS:

Volunteers are essential to help run these events, so we can all enjoy our dogs having fun. Please consider volunteering at these events, learning to work as a starter, timer, or lure operator. You must let us know ahead of time, please. Thank every volunteer!

RESULTS AND CORRECTIONS:

Live results will be posted on: https://redbarneventcentre.com/trials_workshops.html and written on your recording sheet after each run. The CKC will not consider a request for any corrections to results if received more than 90 days after the date(s) of the event(s). Exhibitors can verify the results at the event, watch for unofficial results to be posted on Canuck Dogs, or review the official results on your CKC portal where dogs are listed. For corrections of unofficial results posted on the Canuck Dogs website, please go to the Contact page on Canuck Dogs, select Results Correction, and complete the form. CKC HEALTH REMINDERS:

No dog may be brought onto the grounds or premises of an event if it:

1. Is known to have distemper, parvovirus, kennel cough or other communicable disease;
2. Has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days (prior to the event);
3. Has been housed within 30 days prior to the event on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.
4. Clubs do have the right to remove a dog from the event premises and the exhibitor may be subject to disciplinary action if it is found that CKC rules have been contravened.

POINTS:

The dog's time to complete the 100 m (328 ft) dash is converted into KPHs. The formula to complete this calculation is 360 divided by the dog's time over 100 m (328 ft). This calculation should be rounded to two decimal places. A handicap system is applied to a dog's KPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- (a) 46 cm (**18 in**) or greater = handicap is **1.25**.
- (b) 30 cm (**12 in**) up to less than 46 cm (**18 in**) = handicap is **1.5**.
- (c) Below 30 cm (**12 in**) = handicap is **2.0**.

Points = KPH multiplied by the dog's handicap. For example 20 KPH x 1.5 = 30 points. Round off points to the nearest whole number.

TITLES:

Titles are earned by accumulating points. The following titles will be awarded:

Novice Sprinter (NS) = 150 points;
Sprinter (S) = 500 points;
Advanced Sprinter (AS) = 1,000 points;
Sprinter Excellent (SX) = 1,500 points; and
SX followed by a number (e.g. SX2) for every additional 500 points.

These suffix titles will appear on a dog's pedigree, with a higher level title superseding a lower level title. A dog may only be entered once in the same event.

VETERAN TITLES:

Titles are earned by accumulating points. The following titles will be awarded:

Veteran Novice Sprinter (VNS) =75 points

Veteran Sprinter (VS) =250 points

Veteran Advanced Sprinter (VAS) = 500 points

Veteran Sprinter Excellent (VSX) = 750 points

Veteran SX followed by a number for every additional 250 points

These suffix titles will appear on a dog's pedigree, with a higher level title superseding a lower level title.

The entry form must identify a dog being entered as a veteran unless you want to continue earning points toward regular titles.

A dog may only be entered once in the same event.
