Notice to Competitors

Competitors, through submission of entry, acknowledge that they are knowledgeable of and will abide by CARO rules and regulations including, but not limited to, the following rules regarding entry:

- Move ups will be permitted on trial day, please advise the secretary as soon as possible.
- Judges and Trial organizers have the right to dismiss any competitor for inappropriate behavior. An officiating Judge, and/or the Chairperson of the trial, may dismiss from the trial site any person subjecting the Judge or members of the organizing committee to abuse, whether that person is competing in the trial or not.
- There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. Refunds will be issued for bitches that come into season provided a veterinarian's certificate is received by the Trial Secretary on or before the date of the trial.
- Accommodations: CARO welcomes and encourages the participation of all dogs and handlers. Should a dog or handler have a physical disability which prohibits the completion of one or more station signs, modifications can be made to the course to reduce or remove components which are impediments to the team's performance. Common modifications include:
 - Reducing the height or depth of the obstacles (e.g., jumps may be reduced to a pole on the ground)
 - Reducing the number of sits requested on the course
 - Allowing extra time or minimizing the number of stations that include repetitive turns like spirals
 - Allowing for larger turns or reasonable time modifications for owners or dogs with limited mobility or for larger, slow-moving breeds of dogs. Veteran dogs (7 years of age and older) do not require a modification request to reduce the height of jumps or depth of the broad jump. To obtain a modification: Please contact the Trial Secretary at NDDTevents@gmail.com
- All dogs must be penned, crated or on leash when not in the ring. All dogs must be under control when they leave the ring after their run. Any dog engaging in aggressive or out of control behavior when leaving the ring will be disqualified and/or required to leave the trial site with no refund of fees.
- Exhibitors must keep crate and exercise areas clean. Please pick up after yourself and your dogs.
- Dogs can be shown in a flat buckle collar or snap collar or fixed harness, with no embellishments such as jewels, studs or hanging attachments (such as tags) and a leash. Collars may be removed with the leash at levels not requiring a leash.
- Leashes should be long enough to provide adequate slack. Hands free leashes are acceptable. When a fixed harness is used, the leash must be attached to the back.
- Not permitted on trial grounds: extendable leashes, slip leashes; prong, shock and choke collars
